

22279: BATTERY ISOLATOR SWITCH, NEW

Auction

End date: 06.07.09 17:00pm

You are bidding for a new, boxed Switch Battery Isolator. This is the standard type used on military vehicles but has many uses for civilian operation. It is untested and sold without warranty. VAT will be added to the final bidding price. Full payment must be made within 3 days of auction end and collection within 7 days. The item can be sent by post if required. A quote can be made for this service to the winning bidder if required. For further information on this or any of our other products, call David in Sales (01476 861361) or email David.Toogood@mod-sales.com

If you bid, you are entering a legal contract to purchase as per the Terms and Conditions shown. If you are in doubt, please do not bid.
