

27622: COOKS TRAILER, SANKY FAST TOW

Auction

End date: 08.12.09 19:00pm

You are bidding on a Sankey Cooks Catering Trailer. The attached photos will show the range of equipment and cookware included. NO Stainless steel tables are included They are usually equipped with 24 volt bulbs and the military type plug socket for connecting to the tow vehicle. I will provide any missing light lenses at time of sale. The bulbs can be changed very easily for the civilian 12 volt type if you require. We do not offer this facility. The trailer has the Nato tow ring fitted. We can supply the compatible hitch to fit the tow vehicle if required at a cost of £75.00 plus vat. Spare wheels are available for purchase from stock. The trailer is sold on the understanding that it is direct from the MoD and has not been checked for road use or safety. It is recommended that it is serviced prior to use. All items sold do not have any warranty, either expressed or implied. Inspection and viewing is welcome and recommended before bidding. To make an appointment to view this or any other of our stock, please call David in the sales dept. Alternatively, you can email me on
