28550: CLARK 12MTRE, SCAM MAST & FITTINGS

Auction

End date: 09.02.10 19:00pm

You are bidding for ONE, Clark Telescopic Aerial, which extends to 12 metres. The range of pictures show several on a pallet. Four aerial legs will be included from the selection shown.   These are built to a very high military specification. This is a heavy weight unit, built to exacting standards from high grade metals.
It is complete with the “kitbag” which holds the various erecting tools and ties. The pictures will show the full range of items included. Full payment must be made within 3 days of auction end and collection within 7 days. A storage charge will be imposed after this time. This is direct from the MoD and does not have any warranty, expressed or implied. Vat will be added to the final bid price at the current rate. Note; by bidding, you are entering a legally enforced contract to purchase. We are unable to cancel a sale if you have won the auction. If you are not sure, please do not bid. If you require further information, contact David in the sales department, 01476 861361.
