

28757: 3/4 TON TRAILER, SANKEY, EX MILITARY

Auction

End date: 25.03.10 19:00pm

You are bidding on an ex military Sankey ¾ ton trailer. It is fitted with 6.50x 16 tyres, and 2 rear levelling stands. The drawbar has the standard Nato hitch, over-run drum brakes and a separate handbrake. Suspension is comprised of two semi-elliptic springs with shock absorber dampers. It is designed to carry up to ¾ of a ton and empty, it weighs 373kg. Witham can supply spare wheels if required from stock, at extra cost. The total length of the unit is 9ft 2inches. It will be fitted with matching wheels, as per close up picture, prior to collection. Total width 5ft 6inches Level height from ground 3ft 10inches Internal length of "tub" 6ft. Internal width of "tub" 5ft 3inches Width between wheel arches 3ft 6inches Please note that it may have 24volt electrics fitted. If you are to tow it away, you will need a lighting board and the correct tow hitch compatible with the Nato unit. We can supply from stock the compatible hitch for the tow vehicle at £75.00 plus vat. This trailer is sold without being checked by our workshop and we have not checked the braking system. This should be verified by the purchaser prior to use. This is direct from the MoD and does not have any warranty, expressed or implied. Vat will be added to the final bid price at the current rate. IMPORTANT; By bidding in this auction you are entering a legal contract to purchase, if you are the winning bidder. If in doubt, please do not bid.
