UNDER DEPOSITJust arrived, direct from the UK MoD, uprated & improved Land Rover Snatch 2A armoured Land Rovers. These were fully refurbished in 2005 and brought up to a higher standard than the previous model. The drive train has been improved and full air conditioning added. The vehicles were re-chassised by Otokar at this time & a new heavy duty chassis fitted, along with new engine, gearbox & axles. They were in effect re-manufactured to new standards at this time. These vehicles are ideal for police forces, internal security organisations, overseas governments and private defence contractors.
