Very rare Land Rover Lightweight 2.25lt Diesel Left Hand Drive (LHD) direct from Dutch NATO reserve. Dry stored for nearly 30 years. Fitted with the rarer 2.25L 4 Cylinder Diesel Engine, 4 Speed Forward / 1 Reverse, High/Low Transfer Box, 205R16 Radial Tyres, Soft Top with Rear Bench Side Seat, Rear NATO Hitch & Electrics, 24V Electrical System. This vehicle Starts Runs & Drives and is in absolutely genuine unrestored condition. This is a unique investment opportunity to either leave as is in as released condition, or restore to whatever level the new owner prefers. This vehicle will need to be recommissioned prior to use.
