

97138: Zarges Y Container Model 45052

Direct Sales

Body Type: Ruggedized Military Storage container
Condition From: Excellent

Zarges are renowned for the quality of their products, demonstrated by their popularity with 1st tier Military and Law enforcement organizations worldwide. They are the go to product, for protecting equipment in the field, be it military or private companies. They feature: Continuously welded shell joints. Sturdy 1.5 mm thick sheet metal. Sturdy base, edge and lid profile. Hinged lid with peripheral seal. Sturdy cast stacking corners on lid and base. Stacking feet on base with attachment bores inside and outside. The inside edges of the base are sealed with silicone to make the container waterproof up to the lower edge of the drop handle. Equipped with snap fasteners with protection against accidental opening. Ergonomic and durable Comfort fasteners that can last at least 20,000 use cycles. Rated at IP 54 according to DIN EN 60 529 : 1992. Volume: 100Lt. Approx Internal dimensions: L x W x H 570 mm x 380 mm x 466 mm. Approx Outside dimensions: L x W x H 615 mm x 420 mm x 516 mm. Empty Weight 7.6 kg. We have a small batch of 10 virtually unused Y containers available individually, or as a batch (subject to availability) on a first come, first served basis. There are some signs of age, with storage marks and flaking paint in small areas, some more so than others. Role specific foam inserts are fitted, which can either be removed, or tailored to suit requirements. Our Ref: WSP ZARGES-45052
