Body Type:	Convertible
Tyre Size:	245 40 18
Date In Service:	1969
Mileage From:	16,672 miles
Condition From:	Excellent

One of only 16,663 produced and unlikely to be available again in this condition. This Corvette Stingray convertible is a matching numbers car and can only be described as stunning. The yellow paintwork is in excellent order as are the black leather seats which are complemented by yellow piping. The engine has recently been rebuilt and benefits from an Edelbrock carburettor, the side exhaust pipes contribute to making this Corvette look and sound fantastic. The hood is new as is the fuel tank, wheels and tyres. This four-speed (manual transmission) Corvette needs to be viewed to be appreciated; it is, quite simply, superb. It features: Vin Number: 194679S709266 Rebuilt 350/350 HP Matching Numbers engine 4 speed Manual Edelbrock Carb New Wheels & Tyres New Headers Side Pipes New custom Paint New interior Original Gauges New Fuel Tank New Convertible top Sold unregistered in the UK, but with full vehicle title document with all taxes paid. This vehicle is in fantastic condition, and has been dry stored since import in a controlled environment. This is a one off opportunity to acquire a unique example of this marque.
